New York at Cleveland.

Detroit, Mich., June 2.—Mullin pitched shutout ball today until Ty Cobb broke this spell by trying to take a base. Mullin, who had been making a record of 100 consecutive games without being hit, was hit by Cobb in the ninth inning. Mullin then lost his grip, and walked and Stump Hubbard the ball, making the count 3 to 3 in the ninth. Cobb then hit Mullin with a couple of hits, a wide throw to the plate by Delahanty, and scored three more. The Tigers got their three by collective hitting in the first three rounds. Cobb's catching featured, most of his nine catches being hard ones. Score: New York, 6; Detroit, 3.

MAKING IT TWO STRAIGHT
St. Louis, June 2.—Washington made it two straight by defeating St. Louis today in today's game; score, 6 to 3. Lanksford pitched for St. Louis, but was taken out in the fourth inning. E. Brown, who then took up the task, held the Nationals safe the rest of the journey. Groom was in the first round, but was taken down after that and the home team at his mercy. George Stovall, the Browns' newly appointed manager, benched Austin and sent Pratt to third. Lanksford took the last out, and Compton going to right. The score: St. Louis, 3; Washington, 6.

A PITCHERS' STRUGGLE
Chicago, June 2.—The Athletics took today's game from the White Sox 2 to 1. It was a pitchers' struggle for eight innings between Combs and Walsh. McIntyre was sent in to pinch hit for Walsh, but failed to deliver the goods. The Sox took the lead in the second round, when J. Collins swatted the ball for a home run. E. Collins started for the visitors by crossing the plate twice. The home team's six errors, three of them perpetrated by Shortstop Weaver, figured prominently in the Sox's downfall. The score: Philadelphia, 2; Chicago, 1.

Cleveland, June 2.—Two errors by Birmingham one muffed an easy fly and the other a bad throw to second, worked the undoing of the Naps today, Boston winning 5 to 4 in ten innings. George Mitchell pitched well, but his support was bad. Lajoie and Stahl got back in the game after a month's absence. Lajoie drove in one run and Stahl two. Score: Boston, 5; Cleveland, 4.

Many Entries for Horse Show.
[Special to The Times-Dispatch.]
Lebanon, Va., June 2.—The annual Leaning Golf and Horse Show will take place at the Lebanon Fair Grounds on Wednesday and Thursday, June 3 and 4. A large number of entries have been made, and a very successful show is expected.

TWO NEW RECORDS MADE.

Track and Field Meet Held at Celtic Park.

New York, June 2.—Two new world's amateur records were made at the track and field games of the Metropolitan Association of Amateurs at Celtic Park today. The proceeds of which will go to the Olympic fund to defray the expenses of the American athletes to Stockholm.

At Celtic Park, the Irish American, C. J. Kelly, of the Irish American Athletic Club, won the 100-meter race in 15.4 seconds, a distance of 15 feet 3 inches, the best previous record was 14.1 feet, set by Martin Sheridan a year ago.

The greatest interest, however, centered in the running high jump contest, in which George Horine, the phenomenal jumper from San Francisco, was asked to give handicaps to some of the best men in the country. Horine was scratch man, and in order to win, had to have a 6-foot 6-inch jump. His best effort was 6 feet 6 inches, which placed him fifth in the contest, which was won by E. Erleason, of Mott Haven A. C., of this city, who cleared 6 feet 6 inches and had a handicap of 2 inches.

C. D. Heidrich, of Syracuse University, who won the intercollegiate 220 and 440 yards runs at Philadelphia yesterday, won cleverly again today.

GREAT PERFORMANCES AT ALBEMARLE MEET

Quality of Jumping and Riding Considered of Very High Class—Similar Contests Will Be Held in Fall.

[Special to The Times-Dispatch.]
Charlottesville, Va., June 2.—Because of the unequalled success of the Albemarle county hunt horse show and hunter contests, held yesterday at Madison Park, an ideal spot just west of the university, the officers of the club have decided to hold a similar meet at the opening of the fall hunting season. When the show will be given on a much larger scale. Already three clubs have been promised for the meet, two by Samuel H. Marshall, representing the Madison Park Corporation, of which he is manager, and one by William W. Osborne, of Gordonsville, who judged the various events yesterday, declared the quality of jumping in the show ring events to be of a very high class. He was especially pleased with Bridgewater, the oak bay gelding owned by Sidney J. Holloway, and declared him one of the best green hunters in this section of the State.

Mrs. Reginald Brooks, of "Mirador," one of the Langloire girls, gave a fine exhibition of riding in the horse show events. She piloted her entries, Castleman and Tom Brown, over the hurdles with great skill. She is experienced in the saddle and an intrepid rider. On her chestnut gelding, she rode around the steeplechase course and watched the races from the stands, thoroughly enjoying the sport. Mrs. Brooks has enjoyed Castleman some years ago from Charles H. Harkness, of Fredericksburg, Va., and affirms that she will continue to dandle him. She is a hunter, and she is very fond of her bay gelding, Tom Brown, who is showing her every day as a hunter.

Her Albemarle friends are much interested in the rumor that Mrs. Brooks is to become a member of a woman's polo team to be organized by the Polo Club. She is a hard, straight rider, and has more than held her own in the hunting field. The horse was unhurt.

THREE WILL ENTER LEAGUE MAGNATES OLYMPIC TRYOUTS

University of Virginia Athletes to Leave for Boston on Tuesday.

[Special to The Times-Dispatch.]
Charlottesville, Va., June 2.—Wyllie Coker, captain of next year's track team; Robert K. Goch and Ernest Walter, who will represent Virginia at the Olympic tryouts to be held in the Harvard stadium next Saturday, will leave the university for Boston on Tuesday. "Pop" Lannigan will meet the trio in Boston and will train them for the meet, having general charge over the men while they are at the trials. The men will arrive in Boston June 5 and will have two days in which to become accustomed to the track and get down to perfect form. All three of the athletes are in good condition, and despite the examination season have been training hard for the past fortnight. Both Goch and Walter are expected to make a good showing in the broad jump, and Coker will put up a great fight in the middle distances.

The necessary funds to send the athletes to Boston were raised by the Richmond alumni following a letter from Lannigan declaring that all three men were of Olympic calibre. The entries have been sent in and accepted.

MAJORITY OF CLUBS NOT REPRESENTED AT OCEAN VIEW CONFERENCE.

[Special to The Times-Dispatch.]
Norfolk, Va., June 2.—The meeting of the managers of the Virginia League baseball clubs, which was to have been held this afternoon at Ocean View, did not materialize because a majority of the clubs was not represented. Only the managers of the Norfolk, Portsmouth and Newport News teams responded to the call. They held an informal conference, but made no announcement of any conclusion regarding the proposed elimination of Danville and Roanoke, from the league.

The latter part of the week President Henderson will go West to select the two cities to fill the places of Washington and New York. As there are four different Western cities after the two franchises, President Henderson will select the cities that look the best to him.

A secretary will be appointed tomorrow or Tuesday and a new schedule will be drawn by him. After the meeting to-night President Henderson said:

"Inside of a week everything will be in good shape. After my visit to Richmond and Reading, where I know that I can straighten everything out, I will take a trip West to fill in the gaps left by Washington and New York. Reading will continue in the league. For the present we will go along with six clubs, but it will be only for a short time."

NOTHING DONE IN U. S. LEAGUE

Magnates Assemble, but Adjourn Until To-Day, When Statement Will Be Issued.

Information from Pittsburgh last night indicated that nothing had been accomplished at the meeting of the United States League held yesterday. It is reported that six clubs were represented. No agreement could be reached, and the meeting adjourned until to-day. The clubs reported as represented were: Chicago, Pittsburgh, Reading, Cincinnati, Washington and Richmond.

Nothing was heard yesterday by Al Newham from Landgraf. Instead a message from Sox Seybold came stating that arrangements had been attempted but not completed for taking the game to Pittsburgh. None of the players has received any money in interest checks on the bond issue of the league. The \$500,000 bond issue of the league was a half-month's salary. Hoping against hope, the players are sticking together. They will probably remain here until to-night or Tuesday, after which time should be prospects of collecting what is due them be held out, they will leave for distant parts and other jobs.

Meeting in Pittsburgh.
Pittsburgh, June 2.—Owners and representatives of six clubs of the United States League to-day met here to formulate plans for a reorganization. After adjournment, it was announced that another meeting would be held Monday, after which a formal statement regarding the future of the league would be given out.

The following clubs were represented: Pittsburgh, Reading, Cincinnati, Chicago, Richmond and Washington. While it was not definitely announced, it was said that probably two Western cities would be taken into the league in the places of New York and Cleveland. Two clubs not represented at the meeting to-day.

BOND CHECKS IN NEW FORM

Signed by Secretary MacVeagh Instead of Federal Treasurer.

Washington, D. C., June 2.—For the first time in history the Secretary of the Treasury yesterday signed the interest checks on the bond issue of the United States. The \$500,000 Panama Canal bonds of 1901 were paid their quarterly interest, aggregating \$12,351, by checks drawn on the Treasurer of the United States and signed by Secretary MacVeagh. In the past these checks have been signed by and drawn on the treasurer.

TOWN DESTROYED BY CUBAN REBELS

(Continued from First Page.)

The men-of-war in the harbor, and a baseball game between the rebels and the soldiers at the barracks and the men being ordered to return to their ships by 6 o'clock.

Those at the meeting were Captain Marshall Henderson and William McCullough, of the local team; William Nison, of Chicago; Jack O'Connor, of Cleveland; E. C. Landgraf, of Richmond; John J. Ryan, of Cincinnati; William Abbott Whitman, of Reading, who was elected president of the league when it was first started, and who went into bankruptcy in Philadelphia yesterday. The meeting was called to order shortly after noon to-day, and the first thing done was electing a president to fill the place of Whitman. Captain Henderson was the unanimous choice for the office.

The magnates then got down to real business. It was decided that the league would have to put up a forfeit to show that they would continue in the league until the end of the season. Nison, Henderson, Ryan and O'Connor produced, but as Landgraf is only half-owner in the Richmond club he could not comply with the request at once. President Henderson got Mr. Mills, who owns the other half of the Richmond club, on the long distance telephone, and matters were straightened out in a manner satisfactory for the present. Henderson will have to take a trip to Richmond to-morrow morning to complete the plans.

It was found that the Reading team was still intact, and as several business men of Reading telegraphed President Henderson that they were willing to take over the club in that city, it was decided that Henderson should also take a trip there and get matters straightened out. Manager Leo Groom was telegraphed to bring his team here for a three-game series with the local team, and they left Reading at 8:30 o'clock to-night. Chicago will play at Cincinnati Monday, Tuesday and Wednesday, and then go to its home grounds, where it will oppose the Reading team.

New Play at Academy.
For this week's attraction at the Academy, beginning to-night, Lucile LaVerne has made a selection which has been met with instant popular approval. In "Hart's Four" and "Beatrice DeMille's drama of existence to-day in the upper reaches of society, 'The Greatest Thing in the World.' For many months the greatest success which Mrs. Sarah Cowell has had in her eventful and successful career, this drama will appeal to every mother and father, no matter where they may be, and will furnish a striking lesson to men and women who are seeking to know the very fundamentals of the crucifixion. These clever women have shown that a mother's love is greater, far greater than either heredity, intellectual influence, or both. But it is not all done up even seemingly so, for there are many amusing situations to relieve what would otherwise be tense. Miss LaVerne is fortunate in having in her company several actors who are familiar with the play. In addition, a new face will be seen. Director Johnstone is satisfied with the rehearsals, and feels that the friends of the company will see the best offering yet attempted.

The fight for the majority of the sixteen delegates is between the forces of Speaker Clark and Governor Wilson. Governor Judson Harmon is a contender.

In the county primaries and conventions held throughout the State in the last six weeks, the trend has been favorable to Clark, with Wilson running a strong second and Harmon in favor of the Western counties along the Ohio Valley.

Will Not Support Root.

Madison, Wis., June 2.—Governor Francis McGovern, of Wisconsin, chairman of the Wisconsin delegation to the Republican National Convention, in a telegram answering an appeal by William Barnes, Jr., of New York, refused the support of Wisconsin for Senator Gilman as temporary chairman of the convention. Governor McGovern's reply said Senator Root, represented "political views and methods that should not be sanctioned at the Chicago convention," and that Root's selection would invite defeat in November.

Governor McGovern's Telegram to Mr. Barnes was as follows:

"Hon. William Barnes, Jr., New York City: 'Senator Root represents views and methods that should not be sanctioned at the Chicago convention. He is a stand-pat statesman, while the rank and file of the Republican party are progressive. The people have a right to rule, and their wishes concerning the adoption of a platform are now well known. To ignore this judgment, recorded in almost every Republican State from the Atlantic to the Pacific, by electing Senator Root or any other Tory temporary chairman will convict the party of insincerity and invite defeat in November.'

Barnes Has Nothing to Say.

New York, June 2.—William Barnes, Jr., chairman of the Republican National Committee, admitted the receipt of Governor McGovern's telegram refusing to back to Senator Root, but said that the support of the Wisconsin delegation for Senator Root was temporary. Barnes said that there is anything for me to say further in comment.

"Will you say how many of your replies have been favorable to your appeal?" was asked.

"Not at this time," he replied.

Clark Claims Arkansas.

Little Rock, Ark., June 2.—The Democratic State Convention will be held here Wednesday. It will select four delegates at-large and fourteen district delegates to the Baltimore convention. Of the 530 delegates to the State convention, 234 were instructed for Clark, three for Wilson, and 343 are uncommitted. The Clark and Wilson delegates will have but little trouble in securing the support of fifty-seven of the uncommitted delegates, which would give them control of the convention. The instruction as a whole will select the delegates at-large. Clark and Wilson will select the fourteen district delegates, but if the convention instructs, the convention will bind the entire delegation.

The forces of Joe T. Robinson, Democratic nominee for Governor, expect to be in complete control of the convention.

South Dakota Primary on Tuesday.

Sioux Falls, S. D., June 2.—South Dakota will close its primary campaign to-morrow night. The primaries will be held Tuesday. Republicans and Democrats will have ten delegates to Chicago and Baltimore. Republicans have these tickets in the field—La Follette, Roosevelt and Taft. The Democrats will vote on Clark and Wilson tickets.

Besides the list of delegates both parties have senatorial, congressional and State tickets in the field. Senator Gamble is seeking a preferential vote for reelection. He has as his opponents R. J. Richards, of Aurora, District La Follette candidate; Colonel Melvin Gribbs, of Sioux Falls, a Roosevelt rider, and Thomas Sterling, former dean of the State University at Vermillion. Former Senator Richard F. Pettigrew, of Sioux Falls, the Democratic aspirant, has no opposition.

A three-cornered race is on among the Republicans for the gubernatorial nomination. George L. Sloan, Independent, of Sioux Falls, Frank M. Byrne, "Progressive," of Plunkton, and Loomis S. Cult, "regular," of Rapid City, comprise the list.

The Democratic nominee for the Democratic ticket is confident of P. F. Wilson, of Alexandria, and Edward S. Johnson, of Yankton. The Wilson men are supporting Mr. Johnson.

Fight Expected in Louisiana.

New Orleans, La., June 2.—Fourteen delegates and six from the state at large to the Democratic National Convention at Baltimore will be elected here at noon Tuesday by Louisiana Democrats in State convention. Friends of Speaker Clark, of Missouri, and Governor Woodrow Wilson, of New Jersey, have been selected to select a delegate to the convention, and a sharp fight is expected if any attempt is made to instruct delegates.

Trend Favorable to Clark.
Wheeling, W. Va., June 2.—West Virginia Democrats will hold district delegate conventions in the five congressional districts of the State next Tuesday, and the following day at State convention will convene at Parkersburg. The district conventions will choose two delegates each, and will be held as follows: First District, Wheeling; Second District, Charleston; Third District, Parkersburg; Fifth District, Huntington.

The fight for the majority of the sixteen delegates is between the forces of Speaker Clark and Governor Wilson. Governor Judson Harmon is a contender.

In the county primaries and conventions held throughout the State in the last six weeks, the trend has been favorable to Clark, with Wilson running a strong second and Harmon in favor of the Western counties along the Ohio Valley.
